9 **RESPONSE TO PLAINTIFF'S NOV. 3,
10 2021 LETTER**

11 Re: Dkt. No. 29

12

13 On November 3, 2021 plaintiff submitted a letter requesting the Court's intervention in a
14 discovery dispute with a third party. Plaintiff alleges that Terminix International Company
15 Limited Partnership, a third party to the action, has failed to produce the bulk of information
16 requested pursuant to a Rule 45 subpoena issued on June 18, 2021 and served on June 21, 2021.
17 Since Terminix is not a party to this action, plaintiff must file a motion under F.R.Civ.P. 45 to
18 compel compliance with the subpoena. After noticed motion, the Court may determine whether
19 Terminix should be held in contempt for failing "without adequate excuse to obey the subpoena."
